

Rijeka, May 22nd 2013

Dear business partners,

By decision of the Supervisory Board of Jadrolinija, Rijeka, after the public tender has been conducted, a new Management of the Company Jadrolinija has been appointed constituted of following members: Alan Klanac, D.Sc., Miljenko Antić, B.Sc. and Marko Čičin-Šain, D.Sc., that on May 13th 2013, has taken over the leadership of the maritime company Jadrolinija.

In times to come, Jadrolinija will continue to make efforts to further improve competitiveness and the quality of its services, as well as to build new ships, with an emphasis on life protection at sea and maximum compliance with environmental requirements.

We hereby invite you to continue the successful business cooperation with our desire to mutually make efforts in order to further improve our collaboration.

Respectfully,

President of BOD
Alan Klanac, D.Sc.
